## EDUCATION

---

**The University of South Carolina** | Columbia, SC

*May 2027*

**Bachelor of Science in Computer Science, Minor in Business Administration** | GPA: 3.7/4.0

## EXPERIENCE

---

**BlueCross BlueShield of South Carolina** | Columbia, SC

*May - Dec 2025*

*Business Analyst*

- Built Power BI dashboards and SQL queries to extract, analyze, and visualize financial and operational data, enabling data-driven budget planning for internal clients
- Designed Excel models to track budget allocations and forecast downstream effects of client initiatives
- Consolidated and synthesized meeting discussions into actionable insights, helping leadership anticipate the impact of financial decisions for multiple business units

*Client Representative Intern*

- Served as a client-facing representative for internal project initiatives, facilitating budget planning meetings, tracking funding allocations, and ensuring stakeholder alignment across cross-functional teams.
- Documented end-to-end internal workflows, identified bottlenecks and proposed solutions for process automation and organizational improvements to increase consistency in operations

**The University of South Carolina** | Columbia, SC

*January 2026- Present*

*Teaching Assistant*

- Provided one-on-one and small-group support to non-majors during open lab hours, assisting with HTML/CSS concepts, debugging code, and explaining foundational programming logic in an accessible manner

**Crumb!** | Charleston, SC

*January 2023 - April 2025*

*Supervisor*

- Supervise and coordinate a team of up to 15 employees per shift, ensuring smooth store operations and adherence to company policies.
- Delegate tasks, train and mentor team members.
